Good to know, thanks for letting me know. Funny, just used that one late last week.

I'm assuming the Fashion District BID has been informed? Including Rena Leddy their Exec Dir just in case.

Ari,

FYI, one of the Metro Bike Share stations at 11th and Santee was badly damaged from a car accident between 2 cars on Sunday morning. BTS has temporarily removed the station for repairs and insurance documentation purposes.

Thank you,

We completed a couple hours of training on the new truck mounted PW. The three guys did very good for their first time and we all got to see how effective the PW'S going to be.

We hit two corners and the results were as we anticipated - very nice.
